MARCH GRAND KNIGHTS REPORT

March, 2007

Brothers,

As we enter the liturgical season of Lent, we are reminded of our human weakness. This is evident as we think about the temptations we see around us. Modern society has managed to seduce many with its pop culture and immorality. We, as struggling Catholics, can use Lent as an opportunity to take some needed time and prepare for the Easter Season, with prayer and sacrifice. As we contemplate our Lord's forty days in the desert, faced with the temptations of Satan, we pray that we have the strength to overcome evil, just as Jesus was able to do throughout his life.

Please remember to keep our Holy Father and all clergy in your prayers.

God Bless,
